

# Partners in Harvest

**F**irst, I want to say thank you to all those who stand with us prayerfully and financially. There is absolutely no way we could fulfill the vision without you. I have said it before and every month I am even more convinced - we are truly partners in His harvest!

The ministries of ANfC are expanding at a rate that is very, very exciting. Through television, outreaches, prison ministry, local church aids, conferences and a host of other endeavors ANfC is reaching into our communities and across these Islands in 100% pursuit of a revival! I believe that there are a host of people, both on the mainland and in Hawaii that believe, like us, that these Islands have a prophetic destiny which will impact the nations. If you are one of those people would you consider taking us on as a missions commitment? I assure you that all contributions are going directly into the ministry efforts of ANfC, for His glory!

These are days of outpouring and it is our full intent to seize the opportunities while the opportunities exist. If everyone does his / her part ( some send and some are sent) we can see a great global harvest rise in our generation.

Thank you for your prayerful consideration; we are grateful for each and every dollar which enables us to expand and reach more souls with His glorious gospel.

Aloha & God Bless!
